■	00005846WG	1
■	00005846WV	1

For easy floor cleaning

WALL-UP is fixed onto the wall by screws at about 10 cm from the ground. This allows the user to clean the floor freely, with no obstacles, at any time. In this way the bin does not get dirty as it does not come into contact with the floor.

Lid closes slowly thanks to the buffers
